Hi Sarah,

Thanks for sending this out for our review. I have the following comments:

Please do not add the following sites to the Docket update:

Department of Veterans Affairs Hospital in Mather, CA - this site was reclassified as a small quantity generator (SQG) on May 31, 2012.

United States Geological Survey Marine Facility in Redwood City, CA - this site generated waste only once when they cleaned up their building and property yard as part of their clean-up and closure of the facility. The facility was clean closed in January 2007 and certified by San Mateo County.

South West Regional Maintenance Center at 24th Street Terminal in National City, CA - the site has never been owned nor operated by a federal agency. The site has been inactive for 12 years.

Please use upper case letters for the following:

1. Change Uscg to USCG Ballast Point Moorings.
2. Change Gsa to GSA Appraisers
3. Change Usdla Drmo to USDLA DRMO Guam
4. Change Drmo to DRMO Kalaeloa

Thank you for making these changes.
